

Press Release, Munich / Grünwald, 14th of April 2009

Hübner Schlösser & Cie advises SGI-Japan Ltd. in its sale of DAVID Systems GmbH

SGI Japan Ltd., Tokyo, Japan, has sold its international IT broadcast operations headquartered in Germany to the DAVID management and a private investor as part of its strategy to further strengthen its core business of high performance computing.

DAVID Systems has been developing software products and technology for the broadcast market since 1991, with a focus on radio, TV, and associated Internet services. DAVID stands for Digital Audio & Video Integration & Development. The broad product portfolio represents all fields in a typical broadcast workflow from multimedia production to data exchange and file transfer through to play-out and broadcast process control. Reference customers are public and private broadcasters such as ARD, Swedish Radio, ORF, Norwegian Public Broadcasting, P4 in Norway, RTL in Italy, etc.

SGI Japan Ltd.: *“Hübner Schlösser & Cie managed the entire process in a very diligent, proactive and professional manner and led the deal to success. Their devotion was truly worth of praise.”*
